Alexandria, VA 22313-1450**EXAMINER INTERVIEW SUMMARY**

Dear Sir:

This brief summary is being filed in the above-identified application at the request of Supervisory Patent Examiner Hassanzadeh. On February 27, 2006, the undersigned attempted to contact the Examiner assigned to the above-identified application, Examiner Kackar. As result of that call, it is understood that Examiner Kackar is out of the office for at least the next two weeks. Accordingly, the undersigned contacted SPE Hassanzadeh to inquire about the above-identified application. As explained to SPE Hassanzadeh, Applicants believe that the PTO's refusal to enter the amendment filed January 30, 2006 is in error. In particular, that amendment simply rewrote dependent claims 2 and 26 to be in independent form. While the form of claims 2 and 26 has changed, the content of the claims remains unchanged. Accordingly, the amendments to claims 2 and 26 cannot possibly raise any new issues that require further consideration or search. Accordingly, entry of the amendment is respectfully requested.

CERTIFICATE OF TRANSMISSION/MAILING	
I hereby certify that this correspondence is being facsimile transmitted to the USPTO or deposited with the United States Postal Service with sufficient postage as first class mail, in an envelope addressed to the Commissioner for Patents on <u>2-28-06</u> .
